

## **Criteria for your Review**

Trying to achieve a higher grade means that you must include the criteria for the lower grade in your review.

### **E**

Author

Title

Summary of the story including the end

### **C**

Message/Theme

What other works has the author written

### **A**

In what time was the book written? Write something about the era in which the book was created, for example *the Enlightenment* or *the Romantic Movement*. Also mention the genre, for example *fantasy* or *detective novels*. What characteristics are there for your particular genre?
